LAFAYETTE ROTARY CLUB

The Concert at the Res was introduced to the community 10 years ago. It was envisioned that the concert would showcase accomplished musicians from our outstanding local school music programs while entertaining the community surrounded by the beauty of our Lafayette reservoir, as well as raise money to support local school music programs and other local Rotary charities.

Approximately half the monies raised at this event go directly to the school programs to purchase instruments. The remaining funds have supported our locally connected charities such as Las Trampas, Contact Care, Meals On Wheels, and Rotary scholarships. The concert's mission has not changed since its inception.

The Rotary Club of Lafayette wishes to express its gratitude to East Bay Municipal Utilities District, the dedicated staff of the Lafayette Reservoir for their support and cooperation, and to the outstanding musicians from the Stanley Middle School Symphonic Band, the Rossmoor Big Band, the Acalanes High School Symphonic Band and the Bentley School Band. There would be no concert without you.

We also offer a special thanks to our major sponsors: Coldwell Banker Orinda, Diablo Foods, LaFiesta Square, Kinko's of Lafayette, Contra Costa Times, Oak Hill West and Oakwood Athletic Club, and to all our many friends and businesses who have so generously contributed to this worthwhile event.

**We hope you enjoy the 10th annual

STANLEY MIDDLE SCHOOL

Director Bob Athayde has done an outstanding job with his middle-school musicians, most of whom are in the seventh and eighth grades. His comprehensive music program has produced many dedicated student musicians, readily apparent in their many excellent school, community and competitive performances.

Mission Statement of the Stanley Middle School Music Program:

- To provide a challenging musical program in which students can improve and enrich their lives.
- To rehearse and perform both at Stanley Middle School and in the Lamorinda community. In appreciation of our community's continuous support, we encourage our music ambassadors to participate in their local events.
- To encourage adult musicians to act as mentors and role models to extend the message that music can be with you to enjoy throughout your entire life.
- To promote music as a vital discipline in life where teamwork, hard work, fun and performance converge.

BIG BAND OF ROSSMOOR

The mission of the Big Band of Rossmoor, a volunteer group started in 1990, is to preserve the sound of the big-band era while supporting music education in our community. The band's message to their participating student musicians and to the community is that musical skills can enrich your life—regardless of age. Many members of this band performed during and after World War II; some had stopped playing for some number of years.

This band has made it possible for many to return to their musical roots, to work with young musicians, and to pass on valuable experience and knowledge to the next generations. Directed by the energetic trumpeter Mo Levich, this band performs in more than 20 community events each year.

ACALANES HIGH SCHOOL

The award-winning Acalanes Symphonic Band has a varied schedule of performances throughout the school year, playing a wide variety of music written from the early 1800s to the contemporary pieces of the late 1900s.

A recently awarded music grant has provided extra educational opportunities to learn about the history and the music from the big band era.

Led by Rick Meyer, the Acalanes Symphonic Band has been consistently awarded top honors in competitions across the state. Our community is indeed fortunate to have such a gifted and talented group of musicians.
